Subject: Grievance regarding non-receipt of OTP for OTR registration on UP Scholarship Portal

Case Reference:	NL-2026-5LM0RK
Date:	04 October 2026

Respected Sir/Madam,

I am writing to bring to your attention a technical issue I am facing while attempting to register for the UP Scholarship program. I am unable to proceed with my OTR (One Time Registration) as the OTP required for verification is not being received on my mobile number.

This issue is preventing me from completing my scholarship application on the official portal (<https://scholarship.up.gov.in/>). As per the UP Scholarship Grievance Redressal Mechanism, I am seeking your assistance to resolve this technical hurdle so that I may submit my application in a timely manner.

I request you to kindly look into this matter and ensure that the OTP service is functioning correctly for my registration. I look forward to a resolution within 30 days, as per the standard grievance response time for UP government portals.

Please note that if the issue remains unresolved within the stipulated time, I will be constrained to escalate this matter to the Jan Sunwai (UP IGRS) portal.

Enclosures:
